

DUST/BLOKR®

Superior Dust Control

Product facts:

- 100 % natural ingredients
- 90 % less dust
- 85 % less water consumption
- 0 % environmental impact

Dust/Blokr® Sugar Blend

is the first environmentally friendly dust binding product of its class approved by the American environmental authority EPA

100% non-corrosive product

The product is completely salt-free and thus does not endanger the safety of people, animals or the environment. It can also be used safely in sensitive groundwater areas.

100% natural power

The power of the product is based on the combined effect of sugars and starches and is not easily washed off of surfaces with rain!

Meets U.S. EPA
Safer Product
Standards

epa.gov/saferchoice

No equipment investments

The liquid product can be applied diluted in water with existing equipment.

VUMOS

Blueberry Hill Horse Stable—Kajaani

Located north of Kajaani in Finland, the Blueberry Hill (Mustikkamäki) Horse Stable started to use **Dust/Blokr® Sugar Blend** in summer 2022 on their 3.600 squaremeter big horse arena consisting of really fine sand.

After having used the product few times, the formation of dust was reduced significantly.

BEST WITHOUT DUST!

... both for you & your buddy!

DUST/BLOKR®
